ALTERYS WITH THE PEOPLE, HE SAYS.

John Bloodgood, the Banker, Thinks the Prosperity the Result of a Wise Public's Appreciation.

The World has had in bringing about hese changes were questions some wellknown New Yorkers wrestled with yes-

answer these quations than ex-Mayor William R. Grace. Mr. Grace is a gentleman whose experience has been wide and varied. He is one of the great merhants of the country, and has been known to take more than a casual interest in municipal and State politics. "I should say," remarked Mr Grace.

"tat The World has achieved its pheromenal circulation by adhering strictly to a safe business policy. When Mr. Pulitzer bought The World it had a circulation of less than 20,000 a day. He recognized the fact at that time that New York and the country at large was ripe for a change in the newspaper usiness. He had very excellent judgment and knew just what change was

old World died and the new World was born. A good many people in New York thought Mr. Pulitzer was simply throwing his money away. His idea of a newspaper was one that printed the news, no matter what it might cost to get it. He also believed in a thorough and sincere advocacy of the great principles underlying the Democratic party. I believe that these two things contributed very largely to the success of tributed very largely to the success of the great principle and sincere advocacy of the great principles underlying the Democratic party. I believe that these two things con-tributed very largely to the success of the paper. The paper kept pace with the growth of the age. It is always up and doing, and this is another reason

ITS INDEPENDENCE PRESERVED. 'It has not he itated at any time to effect. Honest criticism never hurts an individual, nor does it over injure an organization. The World has preserved its independence. Its editor wears no shackles. He speaks his mind, and whether you agree with him or not, you know you are getting an honest

expression of orinion. This is certainly very refreshing in the days when one sees so many bending the pliant knee to the powers

a great deal of public good. It may solid flesh and build you up so you also do a great deal of harm. In this won't take cold easily. Physicians, respect Mr. Pulltzer and the men he the world over, indorse it. Their work has always been for the advancement of the community. Mr. Prepared by Scott & B

must admire him. He has a cease These Attributes, Reasons Ex-Mayor little less than sublime. These qualities it is the great paper we see to-day, The World's success may be found in

Examiner of the United States and exSuperintendent of State Banks; E. W. stitution every day. This idea hit the

the fact that it is slways with the Edward Fales Coward's Drama

There is probably no more interesting truly to an american that a thorough and complete investigation into a suggested in su

Figure 1. A manage of the graceful little high kickfice at \$ o'clock this morning in a mait
house at \$10 West Forty-ninth street,
and did \$5,000 damage.

The mait house occupies three buildings from \$606 to \$610. The latter buildings from \$606 to \$610. The latter building is used as a drying department by
A. F. Ferris. Some time ago a boat of the graceful little high kicking and Decreators report a gratifying increase of most interesting on the programme.

The strike Committee of the sevence clearmakers' unions of New York and vicinity has clean the Labor Lycoum, \$4 East Fourth street,
as its headquarters pro tem.

The Lillie lievereux Blaks will lecture upon the clear that the tenself has never felt any lil results from it.

"I did the split for the first time ten any the worse for it. I enjoy any sort of dancing. The split, high kicking and the colorade the contract with bosses as proposed by the New York \$E. C. Carter defends the N. Y. A. C. as follows: "The N. Y. A. C. water polo dancing serve to keep me in good physical condition."

The reckless liberality of managers is

the reckless liberality of managers is occasionally extraordinary. A young woman asked Mr. Litt, of 'In Old Kentuck,' If he would allow her to try Miss Ruth Carnenter's part in that meloder and and the could play the part. Mr. Litt consented, here was merely anxious to see if she could play the part, Mr. Litt consented, here that he was pleased, and would like her to play the rist for another week. This she gaily did. At the end of the first week the manager informed her to play the rist for another week. This she gaily did. At the end of the season, and go to Chicago with the plece. If how a solution is the company for the rest of the season, and go to Chicago with the plece. If think I should be entitled to a salary. It should like to do so, she said, "but I think I should be entitled to a salary. It is shouldn't want much—just an understand of the condent of the season and go to Chicago with the plece." I should like to do so, she said, "but I think I should be entitled to a salary. It is not the company for the rest of the season, and go to Chicago with the plece. "I should like to do so, she said, "but I think I should be entitled to a salary. "Oh!" declared Mr.

pends. Before you have had it you may use the French word if you like. But after it has once got hold of you, plain Anglo-Saxon will be good enough. Remember, however, that it frequently originates in a cold, attacking the back, 5 chest or limbs, and that an

Allcock's Porous Plaster

if applied in time will ward it off. Then you can use French all the time.

Beware of imitations, and do not be deceived by misrepresentations. Ask for Allcock's Porous Plaster, and let no solicitation or explanation induce you to accept a substitute.

Pulltzer saw, and sees very clearly toony, that the greater New York becomes, the greater and more influential will be The World. Consequently one

t admire him. He has a ceaseenergy, and a courage that is
less than sublime. These qualities
ins infused into The World. Hence
the great paper we see today,
World's success may be food to

the fact that it is glways with the people."

John Bloodgood, of the banking house of John Bloodgood & Co., in the Mills Building, is known as one of the wealthiest men in Wall street. He can lose or make a million without turning a hair. He prides himself on the fact that he never allows trifles to disturb him.

A reporter of The World yesterday saked Mr. Bloodgood what he thought gave The World the largest circulation of any paper printed in the English language.

Edward Falcs Coward's Drama

Was a Success.

The announcement that Charles Frohman has "purchased" "The Amazons" from Daniel Frohman for Miss Johnstone Bennett is funny. The play, it is sail, originally belonged to Charles Frohman, and was merely lent to Dan for the Lyceum because a good play was absolutely needed for that house. Some time ago Miss Johnstone Bennett was to have appeared in it. Now, she will be able to do so with most profit able prospects, for it is a great success, will be able to do so with most profit able prospects, for it is a great success, asked Mr. Bloodgood what he thought gave The World the largest circulation of any paper printed in the English of lawsuits, and who is an inveterate stickler for his rights. He is engaged language.

Isn't this sweetly pretty—now, post-

A movement is on foot is this city to bring the various co-operative societies and labor unions together and form one grand federation. The principal promoters of the idea are H. H. Salisbury, of L. A. 1,563, K. of L. and Mrs. Imagene C. Fales.

oury, of LA. 1,593, K. of L., and Mra. Imogene C. Fales.

The Stand Keepera' Union, which was recently organized, assight admittance to the United Hebrew Trades Unions, but the delegates were told that only unions whose principles are in accordance with those of the U. H. T. U. could be admitted, it being alleged that the interests of the atand keepers are different from those offer laboring men.

Official returns of the trades unions in England, Ireland, Scotland and Wales give the following results. England and Wales, membership, 1,083, 218, annual income, 27,561,379 and expenditures, 27,513,532; Scotland, membership, 30,177; Income, 233,661, expenditures, 212,233, ireland, membership, 8,466, income, 245,250, expenditures, 541,243,

Labor Fight at Cleveland.

(By Associated Press.) CLEVELAND, March 9.—About forty Dohemian shorers employed by the contractors doing work for a new bridge at Petrie atreet went on a strike, and when a gang of Italian laborers appeared yesterday to take their places the strikers attacked them, using stones, clube and fata. The Italians field and the Bohemians were dispersed by police. ----
